

APPENDIX E-124 P

RIC TO RMO AAC CROSS-REFERENCE TABLE DOCUMENT

1. DOCUMENT USED

Appendix B-124, Routing Identifier Code (RIC) To Reutilization and Marketing Office (RMO) Activity Address Code (AAC) Cross-Reference Table Document, DIC ZLJ.

2. REASON FOR PREPARATION

To furnish data elements required to prepare the RIC to PDO AAC Cross-Reference Table. The RIC to PDO AAC Cross-Reference Table is used to mechanically assign the SHIP-TO address (supplementary address, pos. 45-50) on Disposal Release Orders, DIC A5J.

3. RESPONSIBLE ORGANIZATIONAL ELEMENT

The Plans and Programs Branch, Management Support Office, Directorate of Supply Operations or its comparable DPSC activity is responsible for the establishment and maintenance of the RIC to RMO AAC Cross-Reference Table, preparation applicable table update actions and correction and reentry of any computer rejects (violations) received.

4. PROCEDURES FOR PREPARATION OF THE DOCUMENT

a. SOURCE OF INFORMATION

(1) Format of the RIC to RMO AAC Cross-Reference Table Document, DIC ZLJ, is shown in appendix B-124.

(2) Action Code utilized in the maintenance of the RIC to RMO AAC Cross-Reference Table Document are listed in appendix A-42.

(3) RICs of depots storing materiel may be obtained from the DSCs Source Preference Tables, appendix F-93; and may be verified by Supplement Number 1, DoD Operating Manual 4140.17-M, MILSTRIP.

(4) AACs for RMOs servicing depots storing materiel may be obtained directly from the activities (i.e., RMO or depot) involved or from HQ DLA-OPP; and may be verified by DoD 4000.25-D.

b. GENERAL

(1) An RIC to RMO AAC Cross-Reference record will be established in the table for each prime depot, SSP, attrition, or temporary storage site storing materiel for the processing DSC.

(2) The personnel preparing the RIC to RMO AAC Cross-Reference Table Card are responsible for verifying the accuracy of the AACs (pos. 12-17) prior to input of this card. This data element and the input RIC (pos. 8-10) will be validated by a mechanical comparison to the DoDAAD record.

c. DISTRIBUTION OF LISTING

One copy of the RIC to RMO AAC Cross-Reference Table Listing, appendix F-124, will be furnished, utilized, and retained as shown on appendix F-124.

5. FLOWCHART

Flowchart not required.
